**Subject:** R6 RSC Request for Hurricane Harvey/Immediate Action Required

**Importance:** High

Region 6 has been asked to provide 50 community liaisons (communicate with citizens, hand out flyers, etc) and 20 operations staging resources (field observers, orphan container pad staff, etc) to Hurricane Harvey Operations **in the next week.**

For both deployments:

1. Each division RSC coordinator is asked to identify members of its divisions who are fully medical monitoring trained and current on their 8 hour refresher. Rotation – 14 days, immediate deployment. Current shots are required. Location - Houston, Corpus Christi or Beaumont Port Arthur. Please identify staff that can meet the schedule and the R6 Health and Safety Officer will evaluate the staff's clearance. (First Priority)
2. The medical monitoring requirements for these positions are being evaluated and additional information will be provided later today.

Please send your potential names for deployment to Mikeal Adams, Doretha Christian and

R6HarveyLSC. The REOC will provide the names to Kendra Gomez for clearances prior to deployment.

A Hurricane Harvey update is provided for your information.

Thank you, susan
